COMMENTS OF PUBLIC INTEREST ORGANIZATIONS IN SUPPORT OF MOTION
FOR EXTENSION OF TIME OF PJM INTERCONNECTION L.L.C.

Regulatory Commission\(^1\) the undersigned Public Interest Organizations (PIOs) respectfully
submit these Comments in support of *Motion for Extension of Time*, filed by PJM
Interconnection L.L.C. in these dockets November 26, 2019 (PJM Motion).

PIOs are a coalition of environmental organizations. Collectively, we represent citizens
and ratepayers throughout the PJM region. PIOs thus have a significant interest in ensuring that
storage resources are beneficially and economically integrated into PJM’s markets.

PIOs agree that further stakeholder discussions on the participation of Energy Storage
Resources in PJM’s capacity market may be valuable, and have potential to resolve matters that
would otherwise be litigated. We support the PJM Motion to extend time to file initial briefs
addressing the application of minimum duration requirements to Capacity Storage Resources to

Respectfully submitted,
